

## Year 3 Summer Newsletter

This half term we are getting ready for the holiday season with our new topic 'The world cup'. All children will be given a country which they will research.

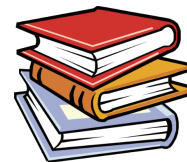

In **literacy**, we will be writing our own short stories which will be titled 'The Bridge'. We will be looking at describing a scene setting and also practising all the things we have used from our success criteria so far this year.

In maths we will be looking at money, shape and time.

PE will continue on a **Thursday and Friday afternoon**. Hopefully, We will be spending more time outside, so please ensure that your child comes prepared with a full kit and appropriate footwear. Also, if the weather is sunny, it may be a good idea to make sure your child has sun cream on.

We are doing very well with our reading challenge and many children have received medals. Remember, the book trolley is always available to children after lunch if they need to change their books.

### PSHE

Our new PSHE topic is 'Changes'. We will be looking at the correct name for body parts and changes that happen as you become older.

### Music

We will be continuing with our music lessons for the rest of the year. Thank you for your support. at concerts.

### Science

Our new science topic is 'Light'. The children will be conducting their own investigations into how we see things and shadows!
