Executive Headteacher – Mrs. M. R. Buckley

Head of School – Mr. R. Bhatti

Dear Parents,

Thank you for your understanding as we get ourselves organised. We had the news that we would not be open to most pupils at the same time as you did.

This is the plan for home learning as it currently stands, although things may change and evolve.

From tomorrow Years 5 and 6 will be taught on-line by their teachers. We will expect them to be on-line at 9.30 each morning. Instructions about this will be sent later today. If you do not have a device get in touch and we may be able to help. We cannot do this without an email address.

For years 1,2,3 and 4 we will be using the teaching videos and contact through gmail accounts as we did when we closed bubbles. This is not ideal but we appreciate that if you have more than one child it will be difficult to get them on-line at the same time. I hope to include Year 4 in on-line learning from next week and progress from there.

Nursery and Reception children will be using Tapestry for contact and learning.

Information about Free School Meals is not available to us yet but for the next few days packed lunches will be available at the school office. The voucher system may be set up again but we don't know yet.

All children with a social worker and children with Education and Health Care Plans are expected to be in school. Children of key workers can attend school if their parents cannot work from home. The definition of who are key workers can be found on the GOV.UK website. School opening times will be 9am to 3pm.

That's all for now. I will write again as soon as I know more.

Yours sincerely

Martine Buckley

EXECUTIVE HEADTEACHER

National Support School
designated by

National College for
Teaching & Leadership
