Thursday 18th April 2024

Dear Parents and Carers,

You may remember that after reading our story "Rosie's Walk", we wanted to go out on our own walk. The weather was bad and other issues stopped our walk before the holidays .

Next week, the weather looks much better.

We will go out in groups with adults from the nursery and leave some children to play and learn in nursery with other nursery adults. We will go out to look at what is in our area close to school, including the local park (Coalshaw Green Park) and we will now be able to look for signs of spring and things growing, like we have talked about so far in our "In the Garden" topic.

The walks will take place on Monday 22nd April, Tuesday 23rd April, Wednesday 24th April and possibly Thursday 25th April, weather permitting, (so next week).

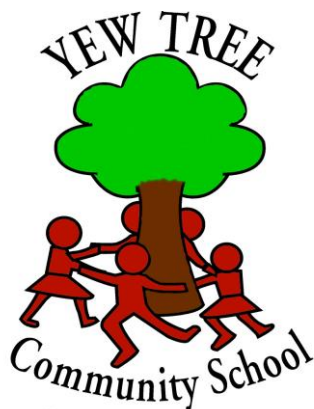

There is no charge for this and you have all already given your permission.

If you would like to ask anything about the trip, please speak to me when you drop off or pick up your child.

You can call the school number on this letter if your child goes to both breakfast club and after school club and you need to ask anything.

Thanks

Miss Hancock and the Nursery Team
